

# Nutritional Product Information

## Ionic Trace Minerals

### Recommended Use

A dietary supplement with 99.5% sodium removed. Approved for sodium restricted diets.

As a mineral supplement, take 1/2 teaspoon (40 drops) daily. May take more or less as desired. Mix and stir with any liquid or juice to mask the concentrated mineral flavor. Increased dosages are safe if needed or desired, but larger amounts may have a laxative effect.

Minerals are needed for body maintenance and repair.
