

# Skin Care Product Information

## Hydrating Cleanser (Cream)

### Recommended Use

Specially formulated for dry and sensitive skin to gently remove surface impurities and makeup while maintaining the skin's natural moisture.

Apply a quarter size amount to face, throat, and eye area with fingertips. (May be used on eye area to remove eye makeup.) Using long, upward strokes, massage into skin for 10 to 30 seconds. Remove Hydrating Cleanser with washcloth and rinse with lukewarm water. If you are wearing makeup, apply twice to ensure proper cleansing. Hydrating Cleanser should be used in the morning and at night.

Note: When using in eye area, keep eyes tightly closed.
